EMLID Reach RS2 Base and Rover

| Procedures | Checklist | checked out | checked in |
|--|--|--------------------------|--------------------------|
| <ol style="list-style-type: none"> 1. Please reserve the GNSS unit in advance. 2. When checking out the GNSS, use the adjoining checklist to note whether all items are present and which ones are taken to the field. 3. Take a copy of the checklist with the GNSS to facilitate keeping track of everything in the field and to make sure all parts are accounted for at the end of field work. 4. The GNSS and its accessories must be clean before being returned; if not, you will be responsible for paying for its cleaning. 5. The checklist will be used to verify the return of all items. 6. Upon return, please note if anything is lost or in need of repair or servicing. You will be responsible for paying for any repairs that result from mis-use, damage, etc., with the exception of normal wear and tear or manufacturing defects. | <p><u>Reach RS2 - BASE</u></p> | | |
